### Application for Church Worship Piano Accompaniment

(October 03, 2016)

#### Pre-Requirements

The piano accompaniment is an important part of church worship. It requires a pianist's commitment, dedication, and love for the Lord. Being a piano accompanist should be treated like a serious job. A piano accompanist must prepare their own hearts before worship and ask the Holy Spirit to work through them as they play for worship. 1. Has been baptized;
2. Is at least 12 years old; and
3. Has active participation in CCCM church activities for the past 6 months.

#### Application Procedure

1. A youth and his/her parents or an adult church member must submit this application form to the deacon member in charge of 灵修;
2. The deacon member in charge of 灵修 will inform the applicant of the decision of the elder and deacon board;
3. Once approved, the applicant is obligated to take one training lesson provided by the church and then will be assigned to piano accompaniment during Friday worship.
